# ONLINE AUCTION

## THE PLANT & MACHINERY FROM THIS WELL ESTABLISHED KITCHEN FURNITURE COMPONENT MANUFACTURER

On view:

**Tuesday 4 December 2012, 10am – 4pm**

At:

**Unit 17 Caker Stream Road, Alton, Hampshire GU34 2QA**

**Bidding closes from 3pm Wednesday 5 December 2012**

(If a bid is placed within the last 10 minutes of the close time, then the opportunity to bid on the lot in question is extended by an additional 10 minutes and continues to extend by ten minutes until no further bids are received, thus allowing for fair bidding and eliminating 'auction sniping')

To submit online bids:

1. Visit [www.marriottco-auctions.co.uk](http://www.marriottco-auctions.co.uk)
2. Select this sale
3. Register to bid
4. Read, understand and accept the Conditions of Sale
5. Place bid(s)

Automatic increment bidding is enabled on the sale.

For example, placing the maximum amount you are willing to bid on a particular lot will not necessarily become the current bid. If you bid £100 on a lot with a current bid of £50, your bid will beat the £50 by the increment specified by the auction programme.

If another party places, or has already placed a higher bid, then the system will automatically bid for you up to your £100 maximum.

**We will advise bidders if they have been successful and then forward an invoice for payment.**

**Subject to the Conditions of Sale printed overleaf, with reference to which Condition 9 - Buyer's Duties:**

- (i) **The Buyer shall pay the full Purchase price by 5pm on the working day following acceptance of offer**
- (ii) **The Buyer shall on proof of payment clear the lot(s) purchased by him/her by appointment and by 4pm Friday 14 December 2012.**

Notwithstanding these Conditions, please note:

- **BUYER'S PREMIUM:** The Buyer shall pay a 15% premium on the purchase price of each lot.
- **VALUE ADDED TAX:** All lots are subject to VAT at the current rate, unless stated otherwise. VAT will therefore be added to the total, including the Buyer's Premium of each buyer's account.
- **HEALTH & SAFETY:** Buyers may be required to provide a "Method Statement" and/or "Risk Assessment" for approval by the Seller or Agent prior to the removal of certain lots.
- **INSURANCE:** From acceptance of the offer, the risk for each lot passes to the successful bidder, who is urged to effect appropriate insurance cover.
- **PAYMENTS:** To be made, inter-bank, by way of CHAPS. Credit and debit card payments also accepted up to £5,000 (American Express credit cards will attract a bank charge @ 3.35% and all other credit cards will attract a 3% bank charge). Cash up to a maximum of £1,000 will be accepted; please note that under the Money Laundering Regulations, Marriott & Co. is required to establish and keep on file for six years the identity of any Buyer attempting to make a substantial payment by way of cash – or in a suspicious manner – and to submit a Suspicious Activity Report accordingly. The Buyer is responsible for electrical disconnections which must be carried out by a suitably qualified electrician, and the Buyer is responsible for the removal of any fluids and/or waste in and around the lot(s) strictly in accordance with the Control of Substances Hazardous to Health Regulations. The Selling Agent reserves the right to withhold the lot(s), until a satisfactory removal method statement has been provided by the Buyer;

- On proof of payment and by appointment, remove the lot expeditiously and at the latest within five working days following acceptance of offer;
- Where lots are fixed to land and/or buildings, detach such lot safely and lawfully without the use of flame cutters explosives or any other dangerous equipment or processes (unless with previous written permission of the Selling Agent) and forthwith make good any damage to the land and/or buildings and the Buyer undertakes to indemnify the Selling Agent and (where appropriate) the Seller against any costs, damage, claims and demands arising upon such removal. The Selling Agent may require prior to removal a sum from the Buyer to cover the likely damage caused by such removal. The Selling Agent shall be entitled to exercise a lien on any lot purchased by the Buyer until all or any damage or loss has been paid in full.

Title shall not pass to the Buyer until payment has been made in full and until such time the Selling Agent shall have a lien on the lot.

### 12. Consumer Protection Act 1987

Lots sold are not supplied as new.

### 13. Default by the Purchaser

If the Buyer fails to comply with his duties, the Selling Agent shall have the right to:

- Resell the lots by Public Auction or otherwise without notice to the Buyer, and if any loss arises from such a resale after deducting the Selling Agent's full costs and expenses, the Buyer shall be responsible to the Selling Agent for that loss (any net surplus to be the Seller's); and
- Where a deposit is paid, to forfeit that deposit; and
- Charge interest on any unpaid balance at the rate of 2 per cent above base rate from time to time; and
- Charge for storage arising after the time for removal at the rate of 25 per cent per annum of the sale price and to release the lots in question to the Buyer only after payment in full of all storage and removal expenses incurred (as well as the full purchase price).

### 14. Agency and Commissions

The Selling Agent may execute commissions received on condition that the relevant lots have been viewed by the bidder.

### 15. Computer Software and Data

The sale of any computers specifically excludes any software and/or data that may be held on computer carrying media, and the Buyer undertakes to not use and to remove and/or re-licence any software and to not use and to remove all data within the meaning of the Data Protection Act 1998 from the computer carrying media. The Selling Agent reserves the right to retain the computers until the Buyer has complied with this condition.

### 16. Safety of Machinery and Vehicles

- Lots may not comply with the Health and Safety at Work Act 1974 or other relevant safety legislation; accordingly the Buyer undertakes to not use any lot purchased until satisfied that it complies with the relevant Acts and Regulations relating to such machines and equipment and to indemnify the Selling Agent against any failure to observe this undertaking;
- In the case of the sale of vehicles, no vehicle is warranted or held out to be roadworthy; the Buyer undertakes to ensure that no vehicle is used unless it complies with the Road Traffic Acts and other relevant legislation; the odometer reading of vehicles is not warranted;
- All goods sold are sold as used and are not supplied as new;
- This sale is subject to the Selling Agent being satisfied that all lots are safe, and the Buyer must allow access for a competent person nominated by the Selling Agent to inspect and carry out any necessary portable appliance tests (at the Seller's expense); any item failing a safety test will be excluded from the sale and scrapped.

### 17. Insolvency and Death

Where the Selling Agent conducts a sale on behalf of a Seller who is the Receiver, Administrator, Liquidator or Supervisor of a limited company, or Trustee in Bankruptcy or Supervisor of an individual:

- The Seller shall only act as an agent on behalf of the company, bankrupt or individual (as the case may be) and shall be under no personal liability whatsoever in respect of the contract for sale of any lot;
- The Seller and the Selling Agent on his behalf sell whatever right, title or interest the company or the bankrupt or the individual may have in the lot; no warranty is given or authorised to be given by the Seller nor the Selling Agent with regard to the Seller's title to any lot(s) sold; any claims with regard to retention of title or other claims to the lot(s) will be the responsibility of the Buyer without any recourse to the Seller or the Selling Agent; no adjustment will be made if it subsequently transpires that the lot(s) are subject to third party ownership;

Notwithstanding the Conditions of Sale, it should be noted that successful bidders of all lots that cannot comfortably be lifted by one person, or require electrical or other disconnection by a qualified person are required to arrange for a removal method statement to be submitted for approval. This statement, detailing how the lot will be safely removed from the premises, must be agreed prior to the removal of the lot(s) in question.

The statement should confirm that the Buyer has appropriate insurance in place to cover any damage to any property howsoever caused and that all parties attending on the Buyers behalf will have appropriate Personal Protection Equipment. **Any individual without the appropriate PPE will not be allowed on site.**

### **COMBINATION LOTS**

Certain lots are offered both individually and together. Subject to meeting reserves these lots will be sold either individually or as a combination to achieve the highest realisation.

### **BIDDING CLOSE TIME**

If a bid is placed within the last 10 minutes of the close time, then the opportunity to bid on the lot in question is extended by an additional 10 minutes and continues to extend by ten minutes until no further bids are received for the lot, thus allowing for fair bidding and eliminating 'auction sniping'.

**REMEMBER - As the closing time approaches you may need to refresh your screen in order to see the current status of each lot**

Please also note: if you enter the same maximum bid that somebody else has previously entered, the party who bid that amount first will be shown as 'winning' the lot in question and a message will appear on your screen advising that you have been 'outbid'.
